

## THE AREAS WE SERVE

---

### *We're East Bay Specialists*

We specialize in properties throughout the East Bay: bungalows and gracious homes in Oakland, Albany, and Berkeley; architectural gems in Piedmont; live/work lofts in Emeryville; condos in Point Richmond; Montclair hideaways; El Cerrito view homes; and apartment buildings in the flatlands.

Our firm was originally founded in Berkeley, and we have kept the Berkeley name out of respect for a half-century of tradition. But over time, we have grown in both scope and experience. Today, there is no limit to what we will do for our clients.
